Superintendent's Report

Celebrations

Successful Safety City program for approximately 30 kiddos. They covered stranger danger, use of 911, water safety (at the Francis Family YMCA), bike safety, fire safety, and bus safety. Deputy Rollins is already planning next year's sessions. We thank all the volunteers and speakers who made this event fun and educational for the safety of our littlest Eagles.

Operations

The pool filter was able to be repaired.

Leidel is here painting the paneling across from the high school cafeteria and a couple of other smaller areas.

Academics and Programs

Proud that several AP students obtained a score of 3 or higher on the AP Chemistry exam and a few did on the first year of AP Physics. We even had one student take the AP Biology exam and get a 5 without taking AP Biology. Summer school July 21st through August 14th.

Donations to the District

\$100 cash donation from Kelli Tuller to the Summer Engagement Program.
