

Brandon Bates Administrative Report

Date: 8/27/2026

- Summer School was a success. Most of the students were recovering credits and some were there for credit advancements. Heather Bryant and Teresa Lewis did a great job of organizing the classes and motivating their students to be successful. Dr. Albain was instrumental in setting up the classes and making sure our students are set up for success.
- We have three new staff members joining us this school year! Each has been assigned a mentor and we worked diligently to make sure our new staff feel supported and are off to a great start!
- On August 25th we held our "High School Registration". This was an opportunity for our students and parents to take care of all those little things that go into starting the school year. Students were able to get their school picture taken, pick up their Chromebooks and schedules, as well as locate their new lockers. Parents could sign any necessary paperwork prior to school starting. Huge kudos to Katelyn Hodge for putting this successful event together!
- Also, on August 25th we also held our Freshman Orientation. Mr. Traiviss put together a very informative and engaging day for the students. Mr. Hayes was very motivating and got our kids excited and ready to roll! There certainly was a lot of energy in the building!
