- 4<sup>th</sup> Grade Update
  - Due to large class sizes in our 4<sup>th</sup> grade (32+) we will be adding an additional class. Retired teachers Jill Bennett and Carey Scarbrough have agreed to return and assist/mentor Karen Durocher as she completes her student teaching in this new classroom. This will reduce our 4<sup>th</sup> grade class sizes to 22-23 students per class.
- Math Intervention Aide

We are excited to have Kara Davis rejoin our team as a Math Intervention Aide. She will work with grades 2-5, giving small group instruction to students who need extra time and support with mathematics.
- Student Council
  - 5<sup>th</sup> grade students running for student council will be giving speeches on 9/30/24. Their peers will cast their votes afterwards and the class officers will be selected.
- 1<sup>st</sup> Trimester Assessments
  - NWEA – Grade level content standards (K-5)
  - DIBELS – Student reading level (1-5)
  - MLPP - Phonemic awareness - (K only)
