

MSU Extension Presents:

Online - Extension Professional Trainings- Understanding A Toddler's World

Toddlerhood can be a difficult time to navigate. From tantrums to biting, this program will focus on helping you decode what's going on in a toddler's world to help make the "terrible twos" the "terrific twos!" This program is designed for parents and caregivers of children 12 months to 30 months in age.

Each participant needs to be registered individually.
