ARTICLE 8

TEACHING CONDITIONS

The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to ensure the high quality of education that is the goal of both the teacher and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at ensuring that the energy of the teacher is primarily utilized to this end.

- A. The Board and the Union agree that the following optimum class sizes shall be a mutual objective:

K-2	26 students

In elementary classrooms, special education students will be placed within their IEP, taking care to not overload one teacher.

Classes K-12 shall in no case exceed optimum by more than five (5) students unless another teacher (e.g. special education) remains in the classroom.

- I. Teachers who cannot use their classroom for conference periods should make arrangements with the building principal for available work areas. A computer and printer will be placed in each staff lounge.
- J. All teachers shall dress appropriately in a professional manner. Any concerns related to dress will be referred to the building administrator. Violations of this policy shall be subject to discipline.

All teachers will be expected to have their classroom ready for students on the beginning day of school.

ARTICLE 9

VACANCIES

- A. Whenever any vacancy in any bargaining unit position occurs or a new bargaining unit position is created, the Board shall publicize the same by sending or mailing written notice of such vacancy to the President of the Union, and provide for appropriate posting in every staff lounge. In the event of a vacancy outside of the school year, written notice of the position will be sent to the President and Secretary of the Association. Postings will be posted for a period not less than five (5) business days internally / externally. Postings shall be emailed to staff and placed on the District's website. No vacancy shall be filled except in case of emergency until such vacancy has been so posted.
- B. Any certified teacher may apply for such vacancy.

ARTICLE 10

SENIORITY/QUALIFICATIONS

- A. Seniority is defined as length of service within the bargaining unit. All teachers will be ranked on the list in order of their seniority, including seniority date and hire date. Unpaid leaves of absence in excess of 90 school days shall be deducted from seniority (except military and sabbatical leave.) Seniority will be based on the date and time of day the teacher signs the interim contract pending approval by the Board of Education.
- B. The seniority list shall be published and posted conspicuously in all buildings of the District by October 15 of each school year. Revisions and updates of the seniority list shall also be published and posted as they are made. A copy of the seniority list and subsequent revisions and updates shall be forwarded to the Union. Objections to the seniority list shall be presented by October 30. Thereafter, the list shall be final and conclusive.
- C. All seniority is lost when employment is severed by resignation, abandonment, retirement, and discharge; however, seniority is retained if severance of employment is due to layoff. In cases of layoff, teachers so affected shall retain all seniority accumulated as of the effective date of layoff.
- D. Any teacher who shall be transferred to an administrative position shall not accrue seniority within the bargaining unit for the duration of his or her assignment.
- E. "Certified" shall be defined as holding valid certification from the Michigan Department of Education.
- F. "Qualified" shall be defined as possessing a major or minor from an accredited college or university in the appropriate subjects to be taught. In addition, the following provisions shall apply:
 - For positions at the secondary level, teacher's certification and education shall not cause the district to lose State of Michigan or federal funding.
- G. "Highly Qualified" – in those instances where Federal regulations require a teacher to be Highly Qualified, those terms shall be defined in this agreement as they are defined in the No Child Left Behind Act.

ARTICLE 11

LEAVE PAY

- A. All teachers will be credited with twelve (12) sick days at the beginning of each new school year. This number of days is based on earning one (1) sick day per month of employment with the district. In the case of a returning teacher, these days will be added to whatever days were in their sick leave bank at the close of the previous year. In the case of a new teacher they would begin the year with the equivalent of twelve (12) days accrued sick time. Sick leave does not accrue during the time a teacher is on an unpaid leave of absence. It is understood by all parties that even though the days are “front loaded” at the start of each new school year they must be earned one day per month throughout the year. If a teacher leaves the school district having used more sick leave than sick leave earned, they are expected to repay all sick leave used in excess of sick leave earned within ninety (90) calendar days of the last sick day used, unless otherwise agreed upon. The repayment amount will be based on the “Gross Pay” that the member was paid for the unearned sick leave used. For example: If a teacher came to school one day and did not have a sick bank accumulated, was out for twelve (12) consecutive days and never returned to work, that teacher would owe the district for twelve (12) days upon their resignation. Acceptable reasons for sick leave with pay shall be personal illness or injury and/or serious illness in the immediate family requiring the employee to be present with the seriously ill family member. For immediate family illness, the administration has the right to require the employee to provide verification from the family member’s attending physician that:

1. the individual under his/her care is seriously ill, and
2. that the illness requires the employee to be present with the family member.

This verification by the attending physician shall be on a form provided the District. “Immediate Family” shall be interpreted to include mother, father, sister, brother, husband, wife, son, daughter, parent-in-law, grandparents, step-parents, stepbrother, stepsister, stepchild, or any person who is a permanent resident of the household in which the employee is residing.

- B. Any teacher on sick leave for a longer period than the sick leave days he/she has accumulated, shall have one day of his/her salary deducted for each day’s absence

beyond the number of accumulated sick leave days. Upon request of the employee, sick days may be frozen when an employee will be absent because of an illness or injury of eight (8) or more days, while the employee utilizes his/her short-term disability insurance, provided the short-term disability insurance is purchased by the employee. The employee shall inform the Business Office in writing, prior to the eighth (8th) day he/she is absent, of his/her intention of freezing his/her sick days. In the event written notice is not given, sick days will continue to be used.

- C. When it becomes apparent to a building principal that a teacher is abusing his sick day leave, it will be the principal's responsibility to inform the teacher involved and the teacher may be subject to discipline. If the situation still exists, the Superintendent will be notified and may have the teacher substantiate future absences for the remainder of the year.
- D. A teacher's illness/sick leave will not be charged against his/her sick days when school is not in session. While on paid sick leave, teachers will still earn sick days. Sick days will not be earned while on an unpaid leave.
- E. The Board will furnish each teacher with documentation on his/her total sick leave and business day credit.
- F. If, during the school year, the Superintendent is not able to get a teacher excused from jury duty, the District will pay the regular salary for jury duty. Any check for such jury duty will be sent to the District.
- G. Teachers voluntarily (i.e., including retirement and resignation) leaving the employ of the Board after at least ten (10) years' service in the Mason Consolidated Schools shall be paid eight dollars (\$8.00) per day for each unused accumulated sick and/or personal business leave day in excess of sixty-five (65) days. Payment shall not be made for more than one hundred fifteen (115) days.
- H. Three (3) personal business days per year, with pay, shall be available to teachers for the purpose of emergency or for conducting business which cannot be normally carried on after school hours or on Saturday. Request for personal business days shall be made to the building principal at least twenty-four hours in advance, unless this is not possible due to an emergency. Personal business days should not be attached to holiday breaks and should not be used on any State testing dates, District examination dates, or

Professional Development days. Should any personal business day request be denied by the building principal, an appeal may be made to the Superintendent. Any teacher requesting and utilizing more personal business days than the allowable amount, shall have one day of his/her salary deducted for each day's absence beyond the number of allowable personal business days.

- I. Personal business days that are not used will be transferred to sick leave at the end of the school year. A total of unused sick leave days and transferred personal business days are cumulative to a maximum of two hundred (200) days. Leaves of absence with pay (e.g. sick days, personal business days) can only be taken in, half day, or whole day increments. Half day times will be determined on an annual basis by the Superintendent after in-session school hours are determined. Sick days and personal business days will be prorated if the teacher is not full-time.
- J. Leaves of absence with pay not chargeable against the teacher's sick leave or personal business day allowance shall be granted for the following reasons:
 1. Teachers shall be granted a maximum of five (5) bereavement days as needed per event for immediate family members. Immediate family shall be interpreted as husband, wife, mother, father, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents-in-law, children, grandchildren, step related family members and grandparents, or permanent residents of the employee's household. Unused funeral/bereavement leave shall not be cumulative. Five (5) additional days with pay may be granted for travel or personal business by the Superintendent at his/her discretion. An employee may submit a request to the Superintendent for one (1) day paid funeral leave due to the death of an individual whose relation with the present employee warrants such attendance. The employee's personal business days, if any, will be allocated first followed by days from the employee's sick bank assuming personal days have been exhausted.
 2. Court appearance as a witness in any case connected with the teacher's employment of the school, except a labor dispute where the teacher is a witness adverse to the school district.

3. Approved visitation at other schools or for attending educational conferences or conventions.
- K. Any teacher who can anticipate a prolonged disability which would cause the teacher to be absent from work for five (5) consecutive days or more (such as scheduled surgery, other confinement to home or hospital, including maternity) shall notify the building principal, in writing, as soon as possible. The notification shall contain the projected dates of absence. It is understood that use of sick leave shall be only for the duration of the actual incapacity. A teacher who has exhausted sick leave may have an unpaid leave of up to one year.
- L. Maternity Leave: Application must be submitted in writing at least sixty (60) calendar days prior to the requested starting date to provide the District ample time to obtain a replacement. Such notice will be waived in cases of emergency. The application letter shall be directed to the personnel office and shall include an estimated delivery date and requested calendar date for the last date of work.
- M. A teacher may request a child care leave due to extenuating circumstances which may be granted at the discretion of the Board in accordance with Policy 3430 & 3430.01.
- N. A teacher may request a leave pursuant to the Family Medical Leave Act of 1993.
1. Employees requesting and eligible for leaves subject to that Act shall be granted leaves in accordance with the provisions of the Act and the benefits and provisions of the requested leave will be in accordance with the FMLA. The Board of Education will only require substitution of the FMLA for leaves permitted under the collective bargaining agreement, where allowed by the Act.
 2. The twelve (12) weeks of leave per year allowed to eligible employees under the FMLA shall be based on the fiscal year (July 1 through June 30).
 3. The District may elect to apply the restrictions applicable to leaves for instructional employees near the end of a school term with regard to any leave allowable under the FMLA, in accordance with the FMLA.
 4. Where applicable, contract leaves, paid and unpaid, shall run concurrently with FMLA leaves to the maximum permitted by law.
 5. Both the Union and the Board recognize that the Board may substitute paid leave when permitted by the FMLA.

6. Both the Union and the Board recognize that any issue that may arise as to the FMLA shall be excluded from the grievance arbitration procedure.

- O. Teachers who are officers of the Union shall, upon proper application, be given an unpaid leave of absence for one year without pay for the purpose of performing duties for the Union. This leave may be extended for up to one (1) year with approval of the Board of Education. Said teacher shall notify in writing the Board of Education prior to March 1 of his/her intent to return for the forthcoming year.
- P. Military leaves of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty to any branch of the armed forces of the United States (limited to two years). Teachers on military leave shall be given the benefit of any increments and sick leave allowances which would have been credited to them had they remained in active service to the school system.
- Q. The Board shall grant a leave of absence without pay to any teacher to campaign for himself/herself, or serve in, a public office for up to two (2) years. This leave may be extended for up to one year with approval of the Board of Education. Said teacher shall notify, in writing, the Board of Education prior to March 1 of his/her intent to return for the forthcoming year.
- R. Sabbatical Leave

- 1. Sabbatical leave for professional improvement may be permitted in accordance with Section 1235 of the Revised School Code, MCL 380.1235. After a teacher has been employed at least seven (7) consecutive years in the District, and at the end of each additional period of seven (7) or more consecutive years of employment, the Board may grant the teacher a sabbatical leave for professional improvement not to exceed the equivalent of one school year at one time, if the teacher holds a permanent, life, continuing or renewable certificate. Not more than two percent (2%) of the teachers may be granted sabbatical leave in any one-year. A teacher desiring a sabbatical leave in the ensuing school year, must apply in writing directly to the Superintendent's office prior to March 1st of the current school year. Leaves shall be granted on a seniority basis. During the sabbatical leave, the teacher shall be considered to be in the employ of the Board, shall have a contract,

and may or may not be paid compensation as provided in the rules and regulations of the Board. Prior to leaving on a sabbatical leave, the teacher shall enter into an agreement whereby, should he/she fail to return to the Mason Consolidated Schools District upon completion of his/her sabbatical leave, he/she shall reimburse the Board for all monies received from the Board during said leave. The Board shall not be liable for death or injuries sustained by the teacher while on sabbatical.

2. Upon return from a sabbatical leave a teacher shall be restored to the teacher's position held prior to sabbatical leave or to a position of like nature, seniority, status and pay. The teacher shall be entitled to other benefits provided under regulations of the Board.
3. In accordance with the MCL 380.1525, Section 1525 of the Revised School Code, the District shall provide sabbatical leaves for up to one (1) academic year for selected master teachers who aide in professional development.

ARTICLE 12

PROTECTION OF TEACHERS

- A. The Board shall enforce a student code of conduct that assists every teacher in student management. If student needs require special assistance, these students will be referred to the appropriate agency.
- B. Any case of assault upon a teacher performing within the scope of his/her authority shall be promptly reported to the Board or its designated representative and immediate action taken. A teacher incapacitated by such assault shall suffer no loss of compensation or benefits during the first sixty (60) workdays of such incapacity. An incapacitated teacher may use a portion share of his/her accumulated sick days so the employee is receiving full salary in conjunction with his/her Worker's Compensation pay.
- C. If any teacher is complained against or sued by reason of disciplinary action taken by the teacher against a student, the Board will provide legal counsel where the teacher acted in accordance within the scope of his/her authority and in good faith.

- D. Any serious complaint by a person other than an administrator directed toward a teacher shall be promptly called to the teacher's attention and the person's name making the complaint shall be made known to the teacher. A teacher may request such complaints be made in writing and shall be signed by the complainant. Unless the complaint is signed by the complainant, it cannot be placed in his/her personnel folder.
- E. Teachers shall be expected to exercise reasonable care with respect to safety of pupils and property but shall not be individually liable to the Board or administrative policy for any damage or loss to person or property, so long as the teachers have acted within their scope of responsibility and authority. Time lost by a teacher in connection with any incident occurring under this Section shall not be charged against the teacher if the teacher has acted within the scope of his/her responsibility.
- F. The use of eavesdropping, closed circuit television, public address or audio systems and similar surveillance devices shall be strictly prohibited.
- G. Each teacher shall have the right, upon request to review the contents, which have been entered by the present employer, of his/her own personnel file. A representative of the Association may be requested to accompany the teacher in such review. However, any documents pertaining to unprofessional conduct in the teacher's personnel file shall be governed by Section 1230(b) of the Revised School Code, MCL 380.1230b.
- H. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Union is present.
- I. The member's immediate administrator or the administrator's designee shall make a good faith effort to resolve the complaints and facilitate a resolution of this matter.

ARTICLE 13
NEGOTIATION PROCEDURES

- A. It is contemplated that matters not specifically covered by this Agreement, but of common concern to the parties, shall be subject to professional negotiations between them from time to time during the period of this Agreement upon mutual consent. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving matters.
- B. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the School District. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and a majority of the membership of the Union, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation process of the Michigan Employment Relations Commission or take any other lawful measures it may deem appropriate, in the absence of a Master Agreement.
- D. Negotiations between the parties for a new Agreement will begin at least sixty (60) days before the expiration of this contract.

ARTICLE 14
GRIEVANCE PROCEDURE

- A. Definition
 - 1. A grievance is a claim by a member or members of the Union, that there has been an improper interpretation or application of the terms of this Agreement.
 - 2. The term “member” shall include any group of teachers who are certified and who are members of the bargaining unit.

3. A “party of interest” is the person or persons making the claim and any person or persons who might be required to take action, or against whom action might be taken in order to resolve the grievance.
4. The term “days” when used in this Article shall, except where otherwise indicated, mean working administration days.
5. The “grievant” is the person or persons, including the Union, making the claim.

B. Purpose

The primary purpose of the procedure set forth in this Article is to secure in the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at any level of the procedure. Nothing contained herein shall be construed as limiting the right of any member of the Union having a grievance to discuss the matter formally with any appropriate member of the administration.

It is expressly understood by the Union and the Board that the Grievance Procedure beyond Level Four (4) shall not apply to the following areas, and that should a dispute arise in such areas the remedy shall be the first four (4) levels of the Grievance Procedure and, where applicable, those procedures provided under the Tenure Act: (1) discharge and demotion; (2) termination of probationary teachers; (3) adverse evaluation.

C. Procedure

In the event a grievance is pending as of June 1st, it shall be resolved prior to the beginning of the next ensuing school year. In this case, the term “days” shall mean calendar days. A number of days at each level should be considered a maximum and every effort should be made to expedite the process. The time limits may be extended by mutual consent.

1. Level One

An alleged grievance shall first be discussed informally with the principal within ten (10) days of the alleged violation. The grievant, at his/her option may be represented by the Union in the discussion.

2. Level Two

If the grievance is not resolved at Level One, the grievance may be submitted, within ten (10) days of the discussion at Level One, in writing to the principal. The principal shall render a decision in writing within ten (10) days.

3. Level Three

If the decision at Level Two does not resolve the grievance, the grievant may appeal the decision in writing within five (5) days of said decision to the Superintendent and request a meeting. Within five (5) days after the written request is filed with the Superintendent he/she shall have a meeting with the grievant and/or the Union representative concerning the alleged grievance. Within five (5) days after said meeting the Superintendent shall, in writing, render his/her decision upon the grievance.

4. Level Four

If the Association is not satisfied with disposition of the grievance by the Superintendent, or if no disposition has been made within five (5) school days, the grievance shall be presented in writing by the Union to the Board within five (5) school days from the date of the Superintendent level disposition, and the Board shall meet with the representative of the Union for the purpose of conducting a hearing at a time mutually agreeable to them. The appeal shall be in writing and shall state the reason or reasons as to why the decision of the Superintendent of Schools was not satisfactory.

5. Level Five

If the alleged grievance is not settled at Level Four, the matter may be referred to arbitration. Either party may refer the matter to arbitration, provided that notice to refer the matter is given to the other party within five (5) working days from the date of the Board's written decision at Level Four and the matter is appealed to the American Arbitration Association within twenty (20) working days from the Board's written decision at Level Four. The grievance will be submitted to arbitration under and in accordance with the rules of the American Arbitration Association. A teacher or group of teachers shall not be authorized to process a grievance to Level Five without the consent of the Union.

The arbitrator shall hear the grievance in dispute and shall render his/her decision within thirty (30) days from the close of the hearing. The arbitrator's decision shall be submitted in writing and shall set forth his/her findings and conclusions with respect to the issues submitted to arbitration. The arbitrator shall confine his/her decision to the particular case submitted to him/her. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

The arbitrator shall have no authority except to pass upon alleged violations of the express provisions of this Agreement and to determine disputes involving the application or interpretation of the express provisions of this Agreement.

The arbitrator shall not render any decision, which would require or permit an action in violation of the Michigan School Laws.

The arbitrator's fee and expenses shall be shared equally by the Board and the Union. The expenses and compensation of any non-teacher witness or participant in the arbitration shall be paid by the party calling such witness or requesting such participant.

All time limits stated above may be extended by mutual consent of both parties.

- D. Any party of interest may be represented at all meetings or hearings at any level of the grievance procedure by another teacher or other person. However, any teacher in no event shall be represented by an officer, agent, or other representative of any organization other than the Union, or its parent organization. Further, when a teacher is not represented by the Union, the Union shall have the right to be present and to state its views at all stages of the grievance procedure.
- E. A grievance may be withdrawn without prejudice or record, at any level. However, if, in the judgment of the Union the grievance issue affected a group of teachers, the Union may process the grievance at the appropriate level. Failure to appeal a decision at any level by either the grievant or the Union within the specified time limits shall be deemed an acceptance of the decision at that level. The grievance discussed and the decision rendered at Level One shall both be placed in writing upon request of either party. Decisions rendered at all other levels shall be in writing and shall promptly be transmitted to all parties of interest. No reprisals of any kind shall be

taken by or against any party of interest or any participant in the grievance procedure by reason of such participation. All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the participants. Forms for filing and processing grievances shall be prepared and distributed by the Union in cooperation with the Superintendent. Access shall be made available to all parties of interest, of places and records for all information necessary to the determination and processing of the grievance.

- F. All arbitration hearings will be held at a mutually agreed upon location within the School District.
