### **DESCRIPTION:**

#### **February 10: Back to the Basics: Skills in Infant & Toddler Care**

Caring for a newborn or toddler can feel overwhelming—especially if you’ve never had the chance to learn these skills. This supportive workshop is designed to help parents and caregivers of children from birth to age 3 gain confidence and practical tools for everyday care. You’ll explore the basics of early childhood development, learn essential infant and toddler care tips, and gain a deeper understanding of how to support both your child’s and your own emotional and physical well-being.

Extension Extras for Parents are free online parenting workshops that provide guidance for parents of young children as they navigate the joys, challenges and concerns of parenting.

**HOW TO REGISTER:** Register in advance for any of the Extension Extras webinar workshops at the following link:
