

Administrative Report – March 25, 2026
Debbie McCain – Mason Central Elementary

- March was an incredibly busy and exciting month at Mason Central Elementary, with a strong focus on reading as we celebrated Reading Month with our theme, *“Be Our Guest to Reading!”* Students thoroughly enjoyed the beautifully decorated classroom doors—congratulations to Mrs. Lietaert, Mrs. Lapoint, and Mrs. Swartz for earning top honors in the door decorating contest. Each Wednesday at 8:30 a.m., students participated in our DEAR (Drop Everything and Read) time, while Mondays and Fridays featured fun Disney-themed spirit days. We were also fortunate to welcome guest readers into classrooms daily. To wrap up the month, students participated in the Bell’s AR reading ticket drawings on March 27, with Disney gift cards awarded as prizes.
- We were thrilled to host our first **Arts Around the World** event on March 12, with over 85 students in attendance. Families explored cultural centers representing Asia, Brazil, China, India, Kenya, Australia, and France. A special thank you goes to Mrs. Swaile for organizing this enriching experience.
- Trimester 2 report cards were sent home on March 11.
- Our PTA sponsored several wonderful events throughout the month, including the Daddy-Daughter Dance on March 7, Goodies with Grandparents on March 15, the Scholastic Book Fair from March 16–20, and the Easter Egg Hunt on March 22.
- The Smiles on Wheels program visited our kindergarten classrooms on March 9, providing important dental care services for our youngest learners as part of the new dental care requirement from the state of Michigan.
- Congratulations to our 5th-grade spelling bee champions: Carson Ellerbrock (1st place) and Rylie Anteau (2nd place). Both students will advance to compete at the county level in May—best of luck to them!
- Students in grades 3, 4, and 5 will begin preparing and taking the Michigan M-STEP assessment upon returning from spring break.
- Wishing everyone a wonderful and blessed Easter season!
