Mason Area Virtual Academy
School Annual Education Report (AER) Cover Letter

February 11, 2022

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-2021 educational progress for Mason Area Virtual Academy (MAVA). The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Brandon Bates for assistance.

The AER is available for you to review electronically by visiting the following web site <https://bit.ly/3aIqRLv> or you may review a copy in the main office at your child's school.

For the 2020-2021 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Our team of stakeholders has identified priorities of focus for the upcoming year, this includes: continuing to implement our Multi-Tiered System of Support (MTSS process) to progress monitor student achievement and support students who are showing deficiencies in their learning as a result of the pandemic. Instructional practices will include relevant Tier II intervention strategies, common vocabulary outlined in our curriculum model and embedded SAT strategies throughout daily instruction.

State law requires that we also report additional information.

1.) PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Students who attend Mason Area Virtual Academy (MAVA) come directly from our Middle School building, via transfer, or are accepted as a School of Choice student from neighboring districts.

2.) THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

The School Improvement Plan continues to be modified to meet the curricular and achievement demands for our school. Based recent low student standardized test achievement data, MAVA educators will continue to consult with Mason Senior High School educators regarding interventions for at-risk students, programs for increasing S.A.T. results, and working to provide a better variety of curriculum offerings. MAVA will continue to seek the ways to best utilize restorative justice practices and mental health support for all students, whether in person or full virtual.

3) IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL.

Implementation of the Mason Area Virtual Academy (MAVA) core curriculum varies as the State and Federal requirements change, student performance data is reviewed, and student needs evolve. Continual evaluation of these expectations is the guiding factor in revisions to the delivery and assessment of core content. All curricula meet requirements of the Michigan Merit Curriculum, content expectations, and Michigan State Standards (CCSS).
