Administrative Report
April 8, 2025

- **Roof Repairs:** Collaborated with Masin Roofing to perform patch repairs on the roof, addressing active leaks that were affecting the building.
- **Osprey Relocation:** Partnered with Consumers Energy to relocate the osprey nest. The new location of the nest is now situated behind the school, between the football field and the practice football field.
- **High School Lighting:** The maintenance team successfully converted all toggle switches in the high school hallway to standard light switches, improving functionality and ease of use.
