DESCRIPTION:

March 4: Exploring Parenting Styles

Have you ever noticed yourself saying something to your children that your parent said to you? Or have you ever wondered how to guide and support your children effectively, while still preparing them for independence? In this workshop we will explore and reflect on our parenting styles, how they have developed, the benefits and drawbacks of each kind of parenting style, and how to find a balance that best supports a strong family for you.

Extension Extras Parenting Hour is a free online series of parenting workshops that provides guidance for parents of young children as they navigate the joys, challenges and concerns of parenting.

HOW TO REGISTER: Register in advance for any of the Extension Extras webinar workshops at the following link: [https://msu.zoom.us/webinar/register/
