

Administrative Report – July 30, 2026

Debbie McCain – Mason Central Elementary

- The Eagles Safety City Program (June 15th through June 19th) went extremely well. We had over 18 – 20 students attend both the 9 am and 12 pm sessions. A huge shout out to Deputy Rollins and Deputy Frank Nadeau for their enthusiasm and dedication to our littles.
- Summer school started on July 20th. We have approximately 50 students attending grades K through 5th. Miss Jaskot, Mrs. Quisenberry and Mrs. Lietaert are teaching during the 4-week program.
- I am excited to announce that we have been granted the FY26 35 m (round #2) grant through the MDE Committee for Literacy Achievement. Mason Central was granted \$113,448 to purchase tier 2-3 decodable texts for grades K- 3rd! Kristen Donnelly has been working closely with the ISD literacy team to research the various programs that are approved through the MDE to purchase.
- A HUGE welcome to Ms. Rachel Major – teaching first grade and Mrs. Carley Chambers – joining our special education team teaching resource at both the elementary and middle school.
- The GSRP pre-k program is currently at 18 enrolled. The program will begin on Sept. 9th with parent-student orientation and the first full day starting on Sept. 10th!
- Looking forward to our 2026 Open House set for Sept. 1st from 4-6 pm.
