

**Debbie McCain – Mason Central Elementary
Administrative Report – 1/27/2026**

- Teachers have been administering the winter NWEA benchmark assessments in English Language Arts and Mathematics, despite several weather-related school closures. Grade-level MTSS data dig meetings are scheduled for February 12, during which staff will review assessment data and make instructional decisions based on student performance.
- Fifth-grade staff members are actively planning and preparing for the annual fifth-grade trip to YMCA Camp Storer, which is scheduled to take place in February.
- The hearing and vision screenings originally scheduled for January 20–21 have been rescheduled for February 12–13.
- Progress reports for Trimester Two have been delayed and will be finalized on January 30. Parents will have access to the reports through the Infinite Campus parent portal beginning February 2.

Stay warm and safe!
