Location:

This class is an online webinar. The link to join the webinar will be sent after registration is complete.

Guiding Principles for Highly Successful Parenting is a parenting series to help you explore ways that you can be highly effective in raising your kids to be successful in school and in life. This class is meant for parents of toddlers to teens and will explore:

- Developing family routines
- Developing emotional control in your child
- Being a calm assertive parent
- Developing consistent rules and relationships
- Learning from mistakes and developing empathy

PARTICIPATION INFORMATION

Certificates for participation are provided upon completion of the series. In order to receive a certificate, participants must actively participate in the webinar throughout all five sessions.

Participants have the option to attend and actively participate via computer, or an app on a tablet or smartphone. Attendees can also listen to the presentation via phone (by calling in), but active participation is difficult over the phone due to the webinar format. **Those who choose to call in must contact the instructor for instructions on how to be eligible for a certificate.**

If multiple people in the same location want to participate in the webinar and need certificates, they have to join the webinar separately or contact the instructor for special instructions to each receive a certificate.
