

6th Grade Supply List 2020

Parents, Guardians;

To minimize student-to-student and teacher-to-student contact, we are asking that students carry most supplies with them from classroom to classroom. We have decided to supply each student with a 1 inch binder and a one gallon Ziploc bag to keep with them throughout the day.

Additional supplies students will need daily are:

Pencils, small sharpener, and erasers -- for all classes

Math: 1 - inexpensive scientific calculator (like a TI 30x)

ELA: 1 - 1 inch binder and writing paper to keep in class

Science: 1 pocket folder without clips, and colored pencils, and dividers.

Social Studies: Colored pencils, scissors, and glue sticks

Phys ED: Deodorant, and one change of clothing (shorts/t-shirt)

******Suggested donations for each classroom (if you can find them:)**

Tissues, hand sanitizer, and disinfectant wipes.
