2025 Eagle's Safety City Program

This year, Mason Consolidated Schools will be hosting its inaugural Safety City Program for **students in our district**. Any **Mason Consolidated School** district student entering into Young 5s, Kindergarten, or First Grade for the 2025–26 school year will qualify for the program. The program is organized by the School Resource Officer and presented by our local police and fire departments.

For this year, the students will be instructed in Stranger Danger, 911 Use, Fire Safety, Water Safety, Bicycle Safety, Bus Safety and the Eddie the Eagle Program. These classes will be instructed by our local police and fire departments, as well as Red Cross-certified water safety instructors.

Your child will learn these lessons inside a classroom, then be given the opportunity to demonstrate their new skills in a practical session. They will practice calling 911, experience a smoke house (trailer), visit the school's pool for water safety, and more! They will also get to see a number of emergency vehicles — and may even get a visit from one of our local K9s!
