

TULLER'S

TIDBITS

June 2026

Dear families:

As we close another wonderful school year, I want to thank you for sharing your amazing children with us. It has been a joy to watch them learn, grow, achieve, and create memories throughout the year. I hope your family enjoys a summer filled with laughter, adventure, relaxation, and time together. We are proud of all our students and look forward to welcoming them back in the fall, ready for another great year. Have a safe and happy summer!

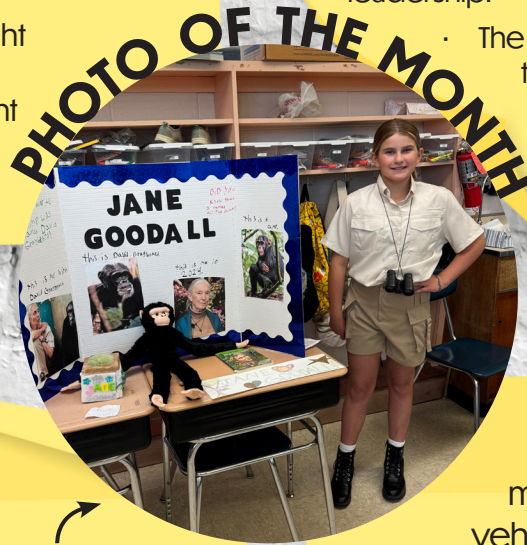

-Superintendent Kelli Tuller

High School Happenings

- Congratulations to the Class of 2026! Get out there and SOAR, Eagles!
- Clifford Sterns was an Erie-Mason bus driver who wanted to acknowledge with an award each year a boy and girl who exhibited leadership characteristics that define a well-rounded scholar athlete. The Clifford Sterns award winners this year are Anderson Moore, with Paige Konrad and Giuliana Nastale tying for the girls' winner. We're proud of your leadership, Eagles!
- The spring musical Anastasia brought laughter and joy to the crowds last month. This production was brought to us by Mr. Johnson and the Music Boosters! Thank you to everyone for all of their hard work!

Middle School Happenings

- The final PBIS field trip this year was to a Toledo MudHens game! 53 students were treated to great weather and ballpark treats for demonstrating the five pillars of 'Eagle POWER': Pride in school, Outstanding effort, Winning attitude, Ethical behavior, and Respect.
- The Mason Junior Honor Society had induction night on May 18th. Many students took part in the ceremony to join this prestigious group that recognizes student who excel in academics and leadership.
- The Academic Awards Assembly will take place this Wednesday, June 3rd. Parents/Guardians are welcome to attend the ceremony in the gym starting at 7:30am; see the full schedule on our Facebook page!

Elementary School Happenings

- The annual Wax Museum was last month, in which students dress up as a historical or current public figure and create a report on their life and impact. Check out our Facebook page for some more cool pictures!
- The Eagles Safety City and Eagles Summer Engagement programs are hosting a dine-to-donate at the Frog Leg Inn right after the last day of school on June 4th! Starting at 11am, anyone can support the fundraiser, and part of the proceeds earned that day will benefit these two summer programs!
- We're looking forward to Field Day on June 2nd! There is no rain date planned but the forecast calls for sunny skies all week; we can't wait to get out there and have some fun!

Keep Our Campus Beautiful!

Please, no ORVs, side-by-sides, motorcycles, or other motorized vehicles on school grounds. These have started damaging our trails, causing ruts and holes that make it unsafe for our runners! Please no dogs or animals on school grounds, as well: for safety and health reasons, animals must be left at home. Thank you for understanding and helping to take care of the place we all love!

Remember:

- June 3 - Half Day
- June 4 - Half Day, Last Day of School
- September 1 - District-wide Open House
- September 8 - First Day of School, Gr. 1-12

We love hearing from our Eagle families! Your thoughts and ideas help make our district even better. Feel free to reach out anytime; I'd love to connect!
