DESCRIPTION:

April 22: Screen Time for Young Children

Screens are everywhere, and young children are spending more and more time in front of them. Screens and media can be a great way for children to learn, but may also have a negative impact on their development. This workshop will help participants learn about how screen time and other media exposure impacts children, learn the screen time recommendations for infants, toddlers, and young children and understand ways to decrease screen time for young children.

Extension Extras Parenting Hour is a free online series of parenting workshops that provides guidance for parents of young children as they navigate the joys, challenges and concerns of parenting.

HOW TO REGISTER:

Register in advance for any of the Extension Extras webinar workshops at the following link:

https://msu.zoom.us/webinar/register/WN_Z30PXKKRSMWuhNJbAjle7A#/

Choose April 22 to register for Screen Time for Young Children

After registering, you will receive a confirmation email containing information about joining the meeting.

*** Accommodations should be requested no later than 2 weeks before class**

MSU is an affirmative-action, equal-opportunity employer, committed to achieving excellence through a diverse workforce and inclusive culture that encourages all people to reach their full potential. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Persons with disabilities have the right to request and receive reasonable accommodations.
