Mason Consolidated Schools Integrated Pest Management (IPM) Program Notification to Parents/Guardians

This notice is to inform all parents/guardians of students attending Mason Consolidated School facilities of their right to be informed before any pesticide application is made in the school buildings. Mason Consolidated School facilities established an integrated pest management program that limits pesticide spraying to a minimum but on occasion pesticides may need to be applied. As a parent/guardian of a student attending our facility you have the right to request prior notification of the spraying of a pesticide. If you would like prior notification, you can obtain a "prior notification request" form by sending a self-addressed stamped envelope to:
