OVER

OUTDOOR RECESS

The cool weather is approaching. Students must wear appropriate winter clothing for outdoor recess. Please keep in mind – if the temperature is 16 degrees or higher – we will be outside for recess. If a student is **NOT** dressed suitably, appropriate actions will be taken.

ILLNESS

The best way to prevent the spread of illness in our school is for children to stay home when they are sick. **Your child must be vomit, diarrhea, and fever free for 24 hours** (without the use of fever reducing medicine) before returning to school. This is per the Michigan Department of Health and Human Services.
