DESCRIPTION:

June 24: Unlock the Conversation: Gun Safety for Parents

Parents have a desire to keep children safe, and safety from guns is one part of the environment kids live and play in that needs to be considered. This workshop will discuss data on firearm injuries and deaths, safe storage options, how to have conversations both with your family and other parents to discuss gun accessibility in places children play, and talking with kids about staying safe from guns.

Extension Extras Parenting Hour is a free online series of parenting workshops that provides guidance for parents as they navigate the challenges, joys, and concerns of parenting.
