Pay to Participate Athletic Fee

All students participating in athletics must pay a **one-time** activity fee. The activity fee is designed to offset the cost of operating our athletics program. Officials, transportation, custodial services, field and court maintenance, supplies, and coaching salaries affect the total cost of the athletic program.

One-time fee:

High School Sports	\$150/year (includes student admission pass for school year) **\$100 hardship qualification
Middle School Sports	\$100/year (includes student admission pass for school year) **\$75 hardship qualification

Family max is \$300 at any combined level per year

Deadline: The fee may be paid in the Athletics office at any time. However, the fee must be turned in PRIOR TO the first official contest before the student can participate.

Method of Payment:

- Checks, money orders, and cash will be accepted.
 - Make checks payable to Mason Consolidated Schools.
 - Write phone number, including area code, on check.
 - Write student name and sport on check.
- Payments can be submitted to the Athletics Secretary.

Refunds: Pay-to-participate athletic fees will not be refunded for any reason, including but not limited to: injuries, suspension, discipline, eligibility, athlete quitting the team, or athletic handbook or student code of conduct violations after the first game.

Hardships: If anyone finds this fee a hardship, they may contact the Athletic office where an application may be completed to determine qualification for a reduced athletic fee. This information will be kept confidential between the athletics office and the student athlete and family. (734-848-9357)

Please detach and return with pay-to-participate athletic fee
