## LOCALLY SOURCED FOODS DELIVERED STRAIGHT TO YOUR CAFETERIA.

The Nutrition Group's signature concept Farm to Fork offers fresh produce from local sources in school districts every year! We partner with local farmers to bring farm fresh produce into your cafeteria.

Each school year during the fall months, we showcase seasonal, locally sourced fruits and vegetables as they become available. The final week of Farm to Fork culminates in a bountiful Harvest Feast that coincides with the Thanksgiving meal.
