February 15, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for the Mason Consolidated School District. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Superintendent Kelli Tuller, 734-848-9304, for help if you need assistance.

The DISTRICT AER is available for you to review electronically by [clicking here](#) or you may review a copy in the main office at your child's school. Each school will also be communicating its own AER to parents directly.

These reports contain the following information:

Student Assessment Data

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

School Accountability Data

- Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates. Performance is measured on 0-100 index scales
- Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

ERIE.MASON.K12.MI.US

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate, and safety

For the 2021-2022 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given. Mason Consolidated Schools has no schools with these labels.

Mason Consolidated Schools' Mission is to ensure students achieve at their highest potential through a learner-centered education. Teaching and learning remain at the forefront as our staff recognizes the commitment to continuously providing opportunities where all students have relevancy and rigor. We continue to review and adjust the curriculum to align standards to allow our students to meet the rigor of today's world. Our continued multi-tiered systems of support (MTSS) provide students with the support necessary to continue to progress in academics and social/emotional skills and our restorative justice practices are building inclusivity, respect, and tolerance of others.

We are proud of the intentional work of our students, staff, and administrators and look forward to continued progress at all levels.

Eagle Nation-Your Destination!

Sincerely,

Kelli A. Tuller
Superintendent
