

Debbie McCain - Administrative Report

Date: April 5, 2021

- Kindergarten round-up plans have been set. Round-up will be held April 19th and 20th from 3:30 pm - 6:30 pm. We will have parents attend at assigned times based on the beginning letter of the last name to ensure social distancing. The GSRP pre-school round-up is set for April 28th from 2-4 pm. Both events will be held in the computer lab and cafeteria.
- The entire school celebrated national reading month in March. Students received raffle tickets for every AR point or book read to be in a weekly raffle. Each week the raffle prizes followed the theme – “Go on An Adventure and Read a Good Book!” The final raffle winner is switching places with me for a day. I will be the student for the day and the student will be principal for the day. A big congrats goes to John Lue – the date will be set after the M-STEP testing is completed. The PTA sponsored a book fair the week of March 15th.
- The grade levels met on March 25th for the 6-week MTSS data meeting.
- MSTEP test dates are set. Grade 5 will test April 28th, 29th and May 5th, 6th, 12th and 13th – (they have four tests to administer). Grade 4 will test May 10th, 11th, 24th and 25th and Grade 3 June 1st and 3rd.
- The Erie Milers running club started on March 22nd. Over 25 students have signed up to run after school on Monday and Wednesday. A big shout out to Jamie Otting and Mary Ansel for organizing this awesome club for the students to participate in staying active and healthy.
- The unit leaders will begin working on the 2021-22 school year budget needs and class lists after spring break.
- Spring pictures are set for April 26th.
- Hope everyone had a wonderful spring break!!!
