

## **Brandon Bates Administrative Report**

**Date: 4/01/21**

- **The SAT and PSAT testing is coming soon! Jo Ann Spicer and Jake Nartker have worked very hard over the last few months to ensure our students have the best possible testing experience. The testing accountability requirement has been waived for this school year, however this data is too valuable to us to lose out on another year of. We expect everyone to test on April 13<sup>th</sup>.**
- **Prom is tentatively scheduled for 5/22/21. However, based on current state restrictions for venues and large gatherings, if we had to make a decision today- we would have to cancel. Hoping for good news soon!**
- **Special thanks to Kris Waslar and the freshman class, they had their first courtyard clean-up day on March 27<sup>th</sup>, with more to clean up days to follow.**
- **Congratulations to Don Traviss! He was selected as the Golden Apple Award winner for the month of March.**
- **Logan Waller was voted as the 2021 Winterfest King. The student council and their advisors Pat Riley and Katie Shopshire did a great job providing our students with the very best possible "spirit week" given the circumstances.**
- **Our Quiz Bowl team is going to be able to compete this year! We were runners up last year and have our entire team back. The matches will most likely be virtual, but Mr. Davison and his squad are ready!**
