Boys Basketball picked up competitive non-conference games to start the season and participated in the Motor City Round Ball Classic. The boys are off to a great start with an overall record of 6-1 and a 4-0 record in the league, currently in first place. Mason is always the team to beat, so it makes for an exciting basketball season. We will be bringing in the JEHL players and middle school players to recognizing them at half time during upcoming games. We are hosting boys basketball districts for the first time in 7 years! That will be held here on March 9th. Be sure to stop up and catch a game or two!

Josh Sweigert is finding success in his 5<sup>th</sup> year as head coach. The girls have taken to his high energy coaching style and responds to it with improvements to their game. They are 7-3 overall and 3-3 in the LCAA. We look forward to continued success. This year's girls districts will be held at Blissfield High School the week of March 2nd.

We welcome a new wrestling coach last year and we have another year with very good numbers. Coach Justin Gessner has recruited several students to his program from our hallways. We have a team of brand-new wrestlers and a few returning. We are looking for big things from our growing wrestling program this year.

Mosley and Kevin Smith, both former Erie Mason swimmers have taken on the challenge of a large Varsity Swim Team for the second year in a row. With 31 swimmers on the roster, the boys are finding that hard work in the pool has paid off with every single swimmer dropping time and recording their personal best times. Our Co-Op with Ida has proved to be successful yet again with 9 boys from Ida High School taking advantage of our pool. Middle school swimming will host their annual relay meet here on Saturday, January 18<sup>th</sup>. This is an amazing meet! Be sure to stop in and cheer on our Eagles!

Middle school wrestling and girl's middle school basketball have started their season. Our 1<sup>st</sup> wrestling match was on January 10<sup>th</sup> at Dundee and our first girls basketball game will be on January 29<sup>th</sup> at Hillsdale.
