

Debbie McCain - Administrative Report

Date: August 13, 2021

- The office has been very busy taking new enrollments for the 2021-22 school year. The enrollment number is approximately 20 + from the 2020-21-year end enrollment.
- The materials for the new Envision 2020 Grades K-5 math program have arrived to prepare for training on Aug. 31st and Sept. 1st.
- We are registered to have the Farm Bureau Agricultural Education truck to visit our school for a 2-day program in the spring. The program was set to visit during the 2019-20 school year. We are extremely excited to have the Farm Bureau visit – this program has a 2-3 year wait list!
- The unit leaders will meet on August 24th to discuss the start of the 2021-22 school year.
- PreK enrollment is going very well, and the program is almost full. The first day of PreK is set for Sept. 20th!
- Summer school has been running extremely well. Attendance has been positive, and the students are enjoying their time in the program. The last day of summer school is Aug. 19th. We have 46 students attending the program.
- We are so excited about the start of the 2021-22 school year. Staff, students, and parents are ready for a “normal” year!!!! Teachers have been getting their classrooms prepared for the open house on Sept. 1st!
