

## **Brandon Bates Administrative Report**

**Date: 8/01/2024**

- **Things are slowly starting to pick up around here. The Junior Eagle Basketball camp was last week and summer workouts continue for our athletes. It's nice to see the students around school and a few teachers have been in and out so far. The quiet before the storm!**
- **We are finishing up our first week of Summer School. Kelly Roberts and Shawna Lucarelli have done an excellent job of setting up daily pacing goals and expectations for the students. We have students here working on classes for credit recovery as well as credit advancement. There are a total of 44 students taking advantage of the summer learning opportunity.**
- **We have five new teachers joining our team at the high school this upcoming school year! Each of them brings different levels of expertise and experience, but they all share a common passion for teaching and student centered education.**
- **9<sup>th</sup> grade orientation and registration will take place on Aug. 22<sup>nd</sup>. We look forward to welcoming the Class of 2028 to the high school.**
