

**Ben Russow - Mason Middle School
Administrative Report
Date: August 7, 2024**

- **Current enrollment numbers at the Middle School – we expect these to fluctuate a bit as we begin to enroll and drop transition students.**
 - **6th grade – 67**
 - **7th grade – 78**
 - **8th grade – 84**
 - **Total =229**

- **I would like to welcome our 2 new teachers to the MS staff. We are excited to get them started and support them as they begin their teaching careers with us.**
 - **Hannah Sugg – 8th grade Science**
 - **Jenna Hausfeld – 6th grade ELA**

- **We will be starting Summer School on Monday, July 29. We have 30 students signed up and 4 certified teachers to lead them. We are very excited about our curriculum plan that was developed for this session. We continue to feel that we can make a difference in their education.**

- **Matthew Prange from the ISD will be in on August 20th to work with our science teachers on the development of their STEM enrichment class. We are continuing to develop a curriculum that supports enrichment, provides hands on learning opportunities, and challenges our students in the field of STEM.**
