TCC Conference Update:

With the departure of Sand Creek, the TCC conference 11-man football is down to 3 team (Whiteford, Erie Mason and Summerfield). This unfortunate event has placed us in motion to find 6 non-conference games for next season 2024-25 as it pertains to football only! There were talks of two school (Whiteford/Erie Mason) “football only” joining the TAAC (Toledo Athletic Association Conference) in 2025 but after several talks, they decided not to move forward. As we continue to fill the 2024-25 season, our focus is to find a stable and more consistent and competitive conference not just for football but for all sports. We’ve recently begun talks with the LCAA with moving middle school football over in 2024-25 and possibly ALL sports in 2025 (depending on their vote). This puts us back in a conference that we’re familiar with and it brings back our rival schools and is more stable.
