Operations Director Administrative Report

12/01/2021

- **With heating season in full swing, the guys and I have been busy with fixing some of the heating issues throughout the district.**
- **Bus cameras are fully operational and have been in for a couple weeks.**
- **Masin Roofing has indicated that materials are still delayed and work above the high school music room has now been scheduled to commence over Christmas break. Roofing above the courtyard should begin earlier in December.**
