

Debbie McCain - Administrative Report
Date: Jan. 13, 2020

- Grades 4 and 5 will be participating in the 2020 MSTEP winter writing practice test this month. The test will give the staff and students an idea of what the MSTEP writing test may look like in the spring.
- All grades are taking the 2nd benchmark with the NWEA testing in reading and math. The second benchmark testing window closes Feb. 7th!
- The students in Grade 5 had an amazing and memorable time at camp last week. I received many positive compliments from the YMCA Camp Storer staff on how respectful and kind our students were at camp.
- The student council will help support the Pennies for Patient fund raiser for the March of Dimes starting Jan. 21st.
- The IPR reports will go home for the second trimester Wed. Jan. 22nd. It is hard to believe we are halfway through the school year.
- The science Olympiad teams are working hard preparing and practicing for the competition on March 3rd!
- The Mobile Dentist is set to provide free dental service to students who apply on Feb. 13th!
