

Debbie McCain - Administrative Report
Date: June 11, 2020

- It is hard to believe that the 2019-20 school year has come to an end. This year will be one for the history books. The entire staff were set up in front of the school on June 8th and 9th to see their students off. All students were provided with fun summer packets. Many happy tears were shed on those two days. I truly hope for our students that we will return to school in the Fall.
- I have been working on the 2020 consolidated application to submit by the July 1st obligation date.
- We received the new literacy guided reading kits for grades Kindergarten through fifth grade for the 2020-21 school year. These kits were purchased through the literacy grant funds.
- A big thank you to Caitlyn F. for creating the fifth-grade group photo for our students. She was able to photo shop all of the students that submitted their pictures into the playground background. Every fifth grader received a 5 by 7 photo in their summer packet.
- The fifth-grade students also received their 2020 DARE certificates and t-shirt in the summer packets.
- The on-line application for the tuition pre-school program is now available. We are still waiting for the MCISD to complete the district on-line application to open the registration for the 2020 Kindergarten enrollments.
- I want to thank you all again for your time, support and dedication to our district. Have a wonderful summer.
