

Brandon Bates Administrative Report

Date: 2/07/24

- **The end of the first semester was set to end January 19th. Students were busy finishing up the semester on a strong note and preparing for their exams that were supposed to held January 17th, 18th, and 19th. However, Mother Nature had other plans. Several inclement weather days impacted our exam schedules and pushed back exams and the start of the second semester until 1/29.**
- **Officer Bill Rollins was chosen as the Golden Apple Award Winner for the month. Officer Rollins is our school resource officer and contributes to the overall climate of our building. He excels at relationships and safety is always his first priority.**
- **Allen Rosenberger and the student council have done a great job putting together “Winterfest” for the student body. There were dress up days, two assemblies, the game on Friday night, and the dance on Saturday.**
- **We will be having a parent and incoming 9th grader meeting on February 28th at 6:00 pm in the High School cafeteria. We look forward to meeting the incoming class and providing them with all the information they need to know to ensure a successful transition to high school.**
- **Dollars for Scholars have been continuing their fundraising through their “half-court shot for a pop” promotion. Try your luck at the next basketball game to see if you can sink a half-court shot!**
