

Brandon Bates Administrative Report

Date: 1/20/21

- **The end of the first semester is January 29th. Exams will be on January 28th and 29th. Wish our students luck as they strive to finish up this first semester on a strong note.**
- **Patty Guardiola was chosen as the Golden Apple Award Winner for the month. Patty is new to the district and is our high school Spanish teacher. She brings a very upbeat and positive outlook to work every day. She has fit in wonderfully with our students and staff.**
- **The PSAT and SAT results arrived right after Christmas Break. The teachers and I will be using this data to help plan instruction for the next three months leading up to the S.A.T. test date. The underclassmen will be linking their College Board accounts to their Khan Academy accounts, this will allow for prescriptive preparation for the tests this spring.**
- **We have been busy communicating with the families of our remote students to find out what their plans are for the second semester. Of the 119 full remote students, so far 101 will remain on full virtual for the rest of the year and 18 have indicated that they would like to return to face-to-face instruction on Feb. 1st. We had only a few students they were in person for semester one elect to go to full virtual for semester two.**
- **The High School teachers will be conducting exam study sessions at during the remote hour. This will be voluntary extra study sessions to best prepare our students.**
- **Our first ever Robotic Team has begun their practices after school. The team is coached by Jason Burt and Erin Ziems.**
