

The **Monroe County Health Department** is now providing

Newborn Home Visits!

A **FREE** visit from an Experienced Registered Nurse in the comfort of your home!

What Can You Expect From Your Newborn Home Visit?

Your Public Health Nurse will

- ✓ Assess your Baby, including Weight & Physical Assessment
- ✓ Discuss Safe Sleep
- ✓ Review Nutrition Needs
- ✓ Breastfeeding assistance and support
- ✓ Discuss Growth & Development
- ✓ Discuss How to Care for Baby
- ✓ Education Regarding Immunizations & Importance of Medical Follow-up
- ✓ Appropriate Referrals
- ✓ Assist with Health Insurance Needs
- ✓ Provide Additional Resources
- ✓ Answer Questions & Concerns

Those first days after baby is born can be the most thrilling *and* challenging!

Sign up for a Newborn Home Visit while you are still in the Hospital! Ask your nurse for a referral form.
