DESCRIPTION:

November 24: How Children Develop

Knowing about child development gives parents and caregivers the skills to best nurture children and identify potential developmental delays. In this workshop, participants will explore active learning, child developmental domains, and characteristics of typical development birth-5.

Extension Extras Parenting Hour is a free online series of parenting workshops that provides guidance for parents of young children as they navigate the joys, challenges and concerns of parenting.

HOW TO REGISTER:

Register in advance for any of the Extension Extras webinar workshops at the following link:

[https://msu.zoom.us/webinar/register/
