

## Athletics Administrative Report

Date: 5/28/21

### Baseball

Our varsity baseball team is slated to clinch the TCC championship on Tuesday with a make-up game against Britton-Deerfield. We will play SMCC in the District semi-final game on Saturday, June 5th at noon. Baseball Districts are being held at Riberview Gabriel Richard.

### Softball

Softball will wrap up their season on Wednesday with a doubleheader against Britton-Deerfield. Our girls will take on the winner of Ida versus SMCC at Ida on Saturday, June 5 in the district final game at 12 o'clock noon.

### Track and Field

The boys track and field team took the TCC championship last week when they competed against all six teams in the conference. We had several first place winners which dominated the events. Our boys team also qualified for the Michigan Interscholastic Track Coaches Association team state meet. This event is held in Clare, Michigan. Teams are selected on power rankings based on performance each week during the season. This is not an MHSAA sponsored event but it is allowed for our team to compete without penalty. Our 3200 m relay (Jacob Ansel, Jackson Ansel, Ethan Cuschieri and Carson Rose) qualified for MHSAA States. Tyler Bates and Grant Hincer qualified in Shot Put. Kaylie Bash qualified for states in the 100m hurdles. The MHSAA state meet is held on Saturday, June 5th.

### Golf

Our golf team finished in 3rd place this year in the TCC. We are able to send one golfer, Ava Micheau, to Regionals this year! She will represent Erie Mason on Wednesday, June 2nd.

Summer schedules are getting finalized as we wrap up our spring season! It will be a very busy summer for all of our student-athletes as we get closer to being back to normal.
