

**Ben Russow - Mason Middle School
Administrative Report
Date: June 7, 2023**

- 70 students attended the Mud Hens game on May 24th. These students were acknowledged for being gold for the entire year for our Eagle Power program.
- The 8th grade will be going on a class trip on June 1st and 2nd. They will be going to Cincinnati. They will be visiting the Freedom Center, Ohio Caverns, taking a cruise on a River Boat on the Ohio River, and going to King's Island on Friday for math and science day.
- Interviews for our 6th grade Science position were conducted. The interview committee will be recommending Dominic Chrysochoos. Dominic student taught with us this past year in 8th grade Science and Social Studies. He has shown a lot of eagerness and excitement throughout the interview process to return.
- On May 25, the 5th grade students visited their 6th grade teachers and got a quick orientation of the Middle School. Relevant class and school information will be shared to help with next year's transition.
- Individual academic awards, Clifford Sterns, Principal Award, Presidential Awards and VFW Citizenship awards will all be presented on Tuesday, June 6th in the Middle School gym as part of our academic assembly.
- Summer School will be held during a 4-week block starting on July 24th. It will be held M – R from 8am -12:00pm.
