Erie Mason/Jefferson Coop Girls soccer finished 8-8 (2T) overall in LCAA 2024 season. We had 7 student athletes from Erie Mason on the team this year! We look forward to next season with hopes of having some boys play this fall 2024.

The 2023-24 Erie Mason athletics' department had an overall successful year! Even though some of our teams struggled this year, our student athletes and coaches competed at a high level and left everything on the courts, mats, field, track, and diamonds.

Erie Mason knows that champions are built in the off season, so this summer our commitment to building individual skill sets and overall strength development in our student athletes will be #1. We look forward to our athletics programs in 2024-25 school year and see how our drive, dedication and discipline will determine our destiny!
