Feeding Positivity

We continue to convey the powerful messages of *“The Positive Dog”* throughout the year in our cafeterias!

These are our objectives and messages for May.

- Celebrate our team’s hard work dedication on School Lunch Hero Day, May 3, 2024.
- Promote our team’s success in the 2023-2024 school year on this day.
- Will visit each building and use the School Lunch Hero thank you flyer to show our appreciation to each and every one of the team members. Treat them with special tokens of appreciation.
- Student drawn posters and cards are always greatly appreciated!

Vendor Partnerships

We value our partnerships with our trusted vendors.

Our purchasing team takes the time to meet and evaluate the most reputable wholesale food suppliers, manufacturers, and distributors in the industry. We are seeking partners that provide products that not only meet federal and state guidelines but product offerings that are appealing to our customers.

One of our valued partners is Gold Creek Foods.

Gold Creek takes school nutrition seriously!

- They provide a wide range of healthy, delicious foods that students love
- Their products offer the highest quality protein
- Maximize nutrition and taste
- Focus on innovation, operational excellence, flexibility and commitment to the customer
- Strive to stay relevant in an always-changing market
- They are proud to take part in feeding America's future!

Our Customer's favorite products include:

- Whole grain breaded popcorn chicken
- Whole grain whole muscle chicken breast
- Whole grain homestyle breakfast patties
- Grilled chicken breasts

Gold Creek sets and exceeds their own high standards, constantly raising the bar for themselves.

They measure their success by exceeding customers' expectations and providing their employees a rewarding and challenging work environment. Their values and beliefs are inline with TNG's, and this is one reason we choose to partner with them.
