- We were able to re-schedule the 5th grade camp trip for next year. Our plans are to have both this year and next year's group to attend camp together. The re-scheduled date is set for Feb. 2-4, 2022.
- Kindergarten round-up plans have been set. Round-up will be held April 19th and 20th from 3:30 pm - 6:30 pm. We will have parents attend at assigned times based on the beginning letter of the last name to ensure social distancing. The pre-school round-up is being planned for a date in May.
- MTSS is still alive and well at Central and does look a bit different this year. The grade levels held a meeting on Feb. 4th to review the data and make instructional decisions for the students. Many meetings have been held this past month with parents to discuss learning plans and additional interventions for the students. The next MTSS grade level meeting is set for March 25th.
- Spring parent teacher conferences will be held on March 16th from 4-5:30 pm. Teachers are meeting only with parents of students who have an IRIP (Individual Reading Improvement Plan) to review and revise the plans.
- The entire school celebrated the 100th day of school on Feb. 9th. The older students dressed up as “100-day old’s” and our younger students dressed up as “100-year old’s”! Various classrooms did some type of celebrating the 100th day mark!!
