

Brandon Bates Administrative Report

Date: 3/15/21

- **Mrs. Spicer and I met with a representative from Schoolcraft College about our students potentially having the opportunity to dual enroll in their Fire I and Fire II classes. This would be another way for our students to reach their career goals while still in high school.**
- **It's hard to believe but the third quarter ends in three short weeks!**
- **On March 8th the high school teachers held their second round of virtual parent teacher conferences. Thanks again to Jason for helping to set up with appointments.**
- **Our 9th, 10th, and 11th graders will be taking the S.A.T. and P.S.A.T.) on April 13th. Our teachers and students have been working very hard all year and we are excited to show off all that hard work.**
- **We had 49 students receive all A's in the first semester. The small class sizes and reduced day has certainly helped our student succeed during this pandemic school year.**
- **Saturday, March 27th, members of the freshman class, under the supervision of Kris Waslar, will be cleaning up our courtyard. Thank you to Mrs. Pat Larrow for her generous donation.**
