

**Mike Valentine**

**Operations Director Administrative Report**

**3/15/2021**

- **The backboard motor on the high school board has been replaced and we are currently waiting for the wiring to be finished.**
- **Spring sports are around the corner and work has begun to prepare and open up the outside sports complex. Work to update the concession stand bathrooms and turning water on for use on fields and in the concession stand and restrooms is scheduled.**
- **Generator was serviced at the high school and ran for the first time in a while. Generator plus will be back out to repair a few things, but it is on a weekly run program.**
- **We are excited to welcome Maintenance I hire, Steve Ray, starting on March 22<sup>nd</sup>. Steve brings an immense amount of talent and work ethic to help us achieve our goals and projects in our department.**
