

Ben Russow - Mason Middle School
Administrative Report
Date: August 19, 2019

- Open House is scheduled on August 28 from 4 -6. We are preparing for this as we speak.
- Our PBIS committee has meet to discuss and prepare for the roll out of our Eagle Power initiative. We will be using our PD day on August 29th to communicate the improvements with our staff and prepare for the logistics of rolling it out to our students. Our teachers are very excited to keep this initiative rolling for this year.
- Middle School athletic practices will begin on August 19th.
- Our Science team met with our representative from Houghton Mifflin and received development on the implementation of our new science materials and curriculum. This curriculum provides more hands-on opportunities and resources to support the STEM initiatives in our school. The teachers are very excited about rolling this out to our students.
