

**Ben Russow - Mason Middle School
Administrative Report
Date: October 29, 2020**

- **I am very proud of the way the Middle School staff has responded to the recent COVID 19 outbreak. Despite these recent challenges, our teachers were prepared to teach virtually. This has allowed them to stay connected with their students and support the curriculum to maintain an effective educational process.**

- **On October 30th, our staff will participate in a virtual professional development. This PD will revolve around updating and reviewing our ALICE training procedures. We will also provide some practical scenarios to support training at a later date with all staff.**

- **MS Boys basketball tryouts are being held this week. Tyler Maxwell and Stevie Gale are the MS coaches for this year.**

- **Our new order of chromebooks has been delivered. I am currently working on a roll out plan with Jason to ensure we get these devices in the hands of our students. Eventually, we will be moving to a 1:1 initiative with our 6th graders for this year.**
