- **Eligible sophomores have begun completing their applications for the Detroit Dollars For Scholars program. This is our 6th year in the program and this will be the 5th group of students to graduate through the program. Each year as much as \$40,000 is awarded to our graduating seniors.**

- **Our E-Sports team is back again for their third season, coached by Ms. Erin Ziems. They are competing in the MiHSEF league (Michigan High School Esports Federation). This is a free league specifically for schools in Michigan. They are currently playing Valorant and will be playing Apex next. There are 8 players on each team. In the Spring they will be playing Overwatch and Super Smash Brothers. The ESports team follow the same eligibility guidelines as the athletic teams.**
- **The band and choir had their first performance on October 13th. Mark your calendars for the Holiday Concert on December 15th.**
- **The high school staff participated in Youth Mental Health First Aid training on November 1st. This is very valuable information for us to have as we continue to help guide students during these difficult times.**
- **On November 4th, I will be officiating the swim meet between St. Mary's and our girls swim team, at Monroe High School. The girls and Coach Moore have shown great determination not to let anything stand in the way of reaching their goals despite not have a home pool to swim in.**
