

Athletic Administrative Report

Date: 10-14-20

We are wrapping up our Fall season this month as our teams begin to prepare for the post season play and this year is looking to be an excellent year for our Eagles!

Football: Homecoming was held on Friday, October 9th. We had a smaller than normal crowd due to the restrictions on outdoor events. It was a strange type of Homecoming night. I cannot wait to go back to the packed campus with Eagle families and students! Our football team is currently 4-0 with the league clinching game on Friday, October 16th against Sand Creek. I hope to update you on Monday where we stand in the league. We are currently ranked 9th in D-6 for the state of Michigan. The last time our team was ranked was (2003) before most, if not all the current players were born! They will wrap up their season with a home game on Friday, October 23rd at home.

Cross Country, looks to take the boys team back up to MIS for the state meet in November. Our boys Cross Country team is racking up the 1st place trophies everywhere they go. Recently winning the first TCC Championship.

Cheerleading: Our cheer squads are entertaining our crowds at the Varsity and JV football games! They have done an amazing job preparing for this season!

Girls Swimming and Diving: The girls are improving their times and making the most of this season. We are without the pool to have our normal practices and Coach Moore and the girls have been so flexible and understanding throughout this difficult time.

Volleyball: Our girls are preparing for District held at HOME this year. Both JV and Varsity have been working hard to improve after being off for the summer. Without summer camps and scrimmages, the girls had a lot of work to do to get prepared! We will be ready for Districts on Monday, November 2nd at 5:30.

****Pixelott is up and running and has been a great addition! ***
