

Time for our Spring Flower Sale!

If you participated in the spring sale last year, you know the flower quality is amazing! We encourage all students in the elementary and Jr. High to participate.

Everyone has a virtual code, but if you need a form to take to work, those are available in the Jr. High or elementary office. Our scheduled pick up date is Tuesday, May 11, between noon and 3pm, in the high school parking lot. Any checks should be made out to Mason Eagles PTA. Any paper orders must be turned in on Friday, March 12. The online store will close on Sunday, March 14 at 11:59pm.

Share your student's link on social media to help our school to generate the largest profit possible!

To create your student's link –

\*Go to [Fundraiseit.org](http://Fundraiseit.org)

\*Select "Create Student Shopping Cart Link"

\*Put in your student's last name, first name, and Mason

This will give you the code to share!

Each student should receive a flier this week to show flower options.

This year, we are offering a coupon for a free any size slush for any student who sells 5 items and a coupon for a free personal, one topping pizza at Roy's for any student who sells 10 items. If a student sells 20 items, they will also receive a free Love Your Melon Beanie.

Please follow our Mason Eagles PTA Facebook page for pictures, details, and future events.

If you have questions, please call or text Jamie Otting at 419-290-6288.

Thanks for your continued support!
