Hello,

Thanks so much for reaching out and your interest in fundraising with us! We can't wait to help you!

Let's get started!

- Your organization will sell a Big Pack for \$6 each
- You will earn \$2.50 on each Big Pack you sell
 - Example: Sell 2,000 individual big packs and earn \$5K
- Your organization will have 14 days to sell to family, friends, colleagues, etc.
- Each seller will have their own order form, that they will return to you at the end of the 14 days.
- On days 14-16 you'll need to collect all selling sheets from your sellers
- We will need one master copy totaling all sales numbers along with each of your individual seller sheets scanned to us by day 17.
- Please hang on to all your seller's sheets as we will need those during delivery
- Once we have received the order sheets we will place the order. We will have the product available for delivery within 7-10 business days. We will then arrange a specific delivery date and time.
- Final payment is due upon delivery. We highly suggest sellers collect payment during the ordering phase.

With strong brand recognition, a wide variety of products, and great consumer value, Little Debbie Big Packs and Sunbelt Bakery Value Packs can mean Big Bucks!

With all of that said, when you would like to move forward we would just need you to pick a start date and then I can send the forms over to you.

We look forward to teaming up with you.
